- (3) "Grant," the transfer for a governmental purpose of money or property to a transferee that is not a related party to or an agent of the municipality;
- (4) "Municipality," any incorporated city or town in this state and, for purposes of this chapter only, any county in this state;
- (5) "Planning commission," a planning commission created under chapter 11-6 or a municipal planning committee of a governing body of a municipality which has no planning commission or, if the municipality is a county having no planning commission or planning committee, its board of county commissioners;
- (6) "Project plan," the properly approved plan for the development or redevelopment of a tax incremental district including all properly approved amendments thereto;
- (7) "Tax incremental district," a contiguous geographic area within a municipality defined and created by resolution of the governing body;
- (8) "Taxable property," all real and personal taxable property located in a tax incremental district;
- (9) "Tax increment valuation," is the total value of the tax incremental district minus the tax

incremental base pursuant to § 11-9-19.

Section 2. That § 11-9-2 be amended to read as follows:

11-9-2. A municipality may exercise those powers necessary and convenient to carry out the purposes of this chapter, including the power to:

- (1) Create tax incremental districts and to define their boundaries;
- (2) Prepare project plans, approve the plans, and implement the provisions and purposes of the plans, including the acquisition by purchase or condemnation of real and personal property within the tax incremental district and the sale, lease, or other disposition of such property to private individuals, partnerships, corporations, or other entities at a price less than the cost of such acquisition and of any site improvements undertaken by the municipality pursuant to a project plan;
- (3) Issue tax incremental bonds;
- (4) Deposit moneys into the special fund of any tax incremental district; and
- (5) Enter into any contracts or agreements, including agreements with bondholders, determined by the governing body to be necessary or convenient to implement the provisions and effectuate the purposes of project plans. The contracts or agreements may include conditions, restrictions, or covenants which run with the land or otherwise regulate the use of land or which establish a minimum market value for the land and completed improvements to be constructed thereon until a specified date, which date may not be later than the date of termination of the tax incremental district pursuant to § 11-9-46. Any contract or agreement which provides for the payment of a specified sum of money at a specified future date shall be entered into in accordance with chapter 6-8B.

Section 3. That § 11-9-8 be amended to read as follows:

11-9-8. To implement the provisions of this chapter, the resolution required by § 11-9-5 shall

contain findings that:

- (1) Not less than twenty-five percent, by area, of the real property within the district is a blighted area or not less than fifty percent, by area, of the real property within the district will stimulate and develop the general economic welfare and prosperity of the state through the promotion and advancement of industrial, commercial, manufacturing, agricultural, or natural resources; and
- (2) The improvement of the area is likely to enhance significantly the value of substantially all of the other real property in the district.

It is not necessary to identify the specific parcels meeting the criteria. No county may create a tax incremental district located, in whole or in part, within a municipality, unless the governing body of the municipality has consented thereto by resolution.

Section 4. That § 11-9-13 be amended to read as follows:

11-9-13. The planning commission shall adopt a project plan for each tax incremental district and submit the plan to the governing body. The plan shall include a statement listing:

No expenditure may be provided for in the plan more than five years after a district is created

- (2) Financing costs, including all interest paid to holders of evidences of indebtedness issued to pay for project costs, any premium paid over the principal amount thereof because of the redemption of such obligations prior to maturity and a reserve for the payment of principal of and interest on such obligations in an amount determined by the governing body to be reasonably required for the marketability of such obligations;
- (3) Real property assembly costs, including the actual cost of the acquisition by a

municipality of real or personal property within a tax incremental district less any proceeds to be received by the municipality from the sale, lease, or other disposition of such property pursuant to a project plan;

Section 7. That § 11-9-25 be amended to read as follows:

11-9-25. Positive tax increments of a tax incremental district shall be allocated to the municipality which created the district for each year from the date when the district is created until the municipality or county has been reimbursed for expenditures previously made, has paid all monetary obligations, and has retired all outstanding tax incremental bonds. However, in no event may the positive tax increments be allocated longer than twenty years after the calendar year of creation.

Section 8. That § 11-9-30 be amended to read as follows:

11-9-30. Payment of project costs may be made by any of the following methods or by any

combination thereof:

- (1) Payment by the municipality from the special fund of the tax incremental district;
- (2) Payment out of the municipality's funds;
- (3) Payment out of the proceeds of the sale of municipal bonds issued by the municipality under chapters 10-52 or 10-52A;
- (4) Payment out of the proceeds of revenue bonds issued by the municipality under chapter 9-54; or

Section 9. That § 11-9-32 be amended to read as follows:

11-9-32. Moneys shall be paid out of the special fund created under § 11-9-31 only to pay project costs or grants of the district, to reimburse the municipality for the payments, or to satisfy claims of holders of tax incremental bonds issued for the district.

Section 10. That § 11-9-33 be amended to read as follows:

11-9-33. For the purpose of paying project costs, the governing body may issue tax incremental bonds payable out of positive tax increments.

11-9-35. Tax incremental bonds may not be issued in an amount exceeding the aggregate project costs. The bonds may not mature later than twenty years from the date thereof. The bonds may contain a provision authorizing the redemption thereof, in whole or in part, at stipulated prices, at the option of the municipality, on any interest payment date and shall provide the method of selecting

the bonds to be redeemed. The principal and interest on the bonds may be payable at any time and at any place. The bonds may be payable to their bearer or may be registered as to the principal or principal and interest. The bonds may be in any denominations.

Section 13. That § 11-9-36 be amended to read as follows:

11-9-36. Tax incremental bonds are payable only out of the special fund created under § 11-9-31. Each bond shall contain such recitals as are necessary to show that the bond is only so payable and that the bond does not constitute a general indebtedness of the municipality or a charge against its general taxing power.

Section 14. That § 11-9-37 be amended to read as follows:

11-9-37. The governing body shall irrevocably pledge all or a stated percentage of the special fund created under § 11-9-31 to the payment of the bonds. The special fund or designated part thereof may thereafter be used only for the payment of the bonds and interest until they have been fully paid, and any holder of the bonds or of any coupons appertaining thereto shall have a lien against the special fund for payment of the bonds and interest and may either at law or in equity protect and enforce the lien.

Section 15. That § 11-9-38 be amended to read as follows:

11-9-38. Each bond issued under the provisions of this chapter and all interest coupons appurtenant thereto are declared to be negotiable instruments. Bonds so issued are not general obligation bonds and are payable only from the tax increment of the project as provided in this chapter.

Section 16. That § 11-9-39 be amended to read as follows:

11-9-39. To increase the security and marketability of its tax incremental bonds, a municipality may:

- (1) Create a lien for the benefit of the bondholders upon any public improvements or public

works financed thereby or the revenues therefrom; or

- (2) Make covenants and do any and all acts, not inconsistent with the South Dakota Constitution, necessary, convenient, or desirable in order to additionally secure bonds or to make the bonds more marketable according to the best judgment of the governing body, including the establishment of a reserve for the payment of principal of and interest on the bonds funded from the proceeds of such bonds or other revenues, including tax increments, of the municipality; or
- (3) Comply with both subdivisions (1) and (2) of this section.

Section 17. That § 11-9-39.1 be amended to read as follows:

11-9-39.1. The State of South Dakota does hereby pledge to and agree with the holders of any bonds issued under this chapter that the state will not alter the rights vested in the bond holders until such bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

Section 18. That § 11-9-40 be amended to read as follows:

Section 19. That § 11-9-46 be amended to read as follows:

Section 20. That § 11-9-45 be amended to read as follows:

11-9-45. After all project costs and all tax incremental bonds of the district have been paid or

provided for subject to any agreement with bondholders, if any moneys remain in the fund, they shall be paid to the treasurer of each county, school district, or other tax-levying municipality or to the general fund of the municipality in such amounts as belong to each respectively, having due regard for what portion of such moneys, if any, represents tax increments not allocated to the municipality and what portion thereof, if any, represents voluntary deposits of the municipality into the fund.
